## Staffing a Community Forest

How to develop internal capacity to implement a management plan

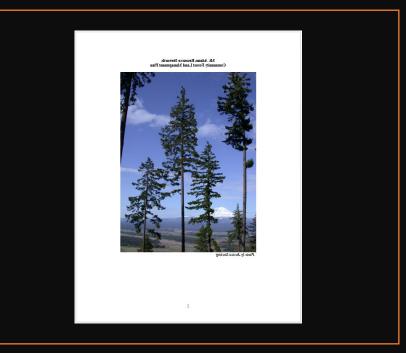

## More than one way to get there...

2018 Glenwood Schools 2019 EAGLE SHOP in association with Mt. Adams Resource Stewards

## Management Plans

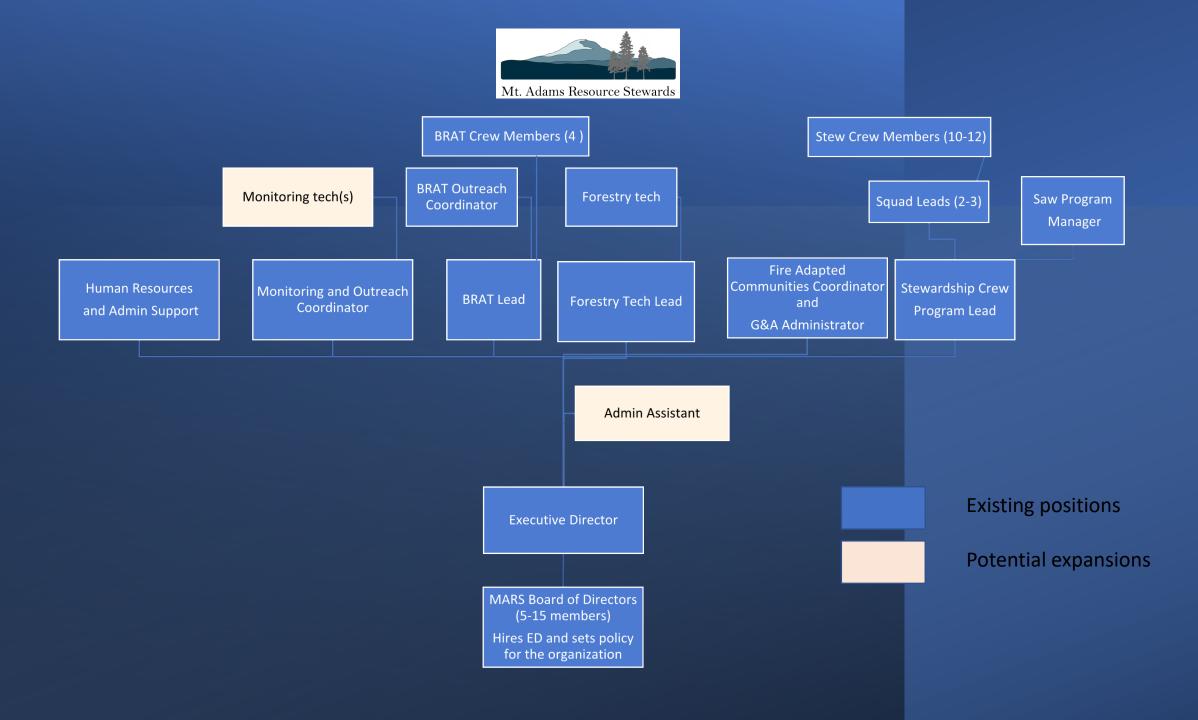

- Overarching
  - Special Emphasis Areas
  - Low Productivity Forests
  - High Productivity Forests
- Tract specific
  - Detailed inventory
  - Relatively detailed prescriptions
  - 20 year activity timeline

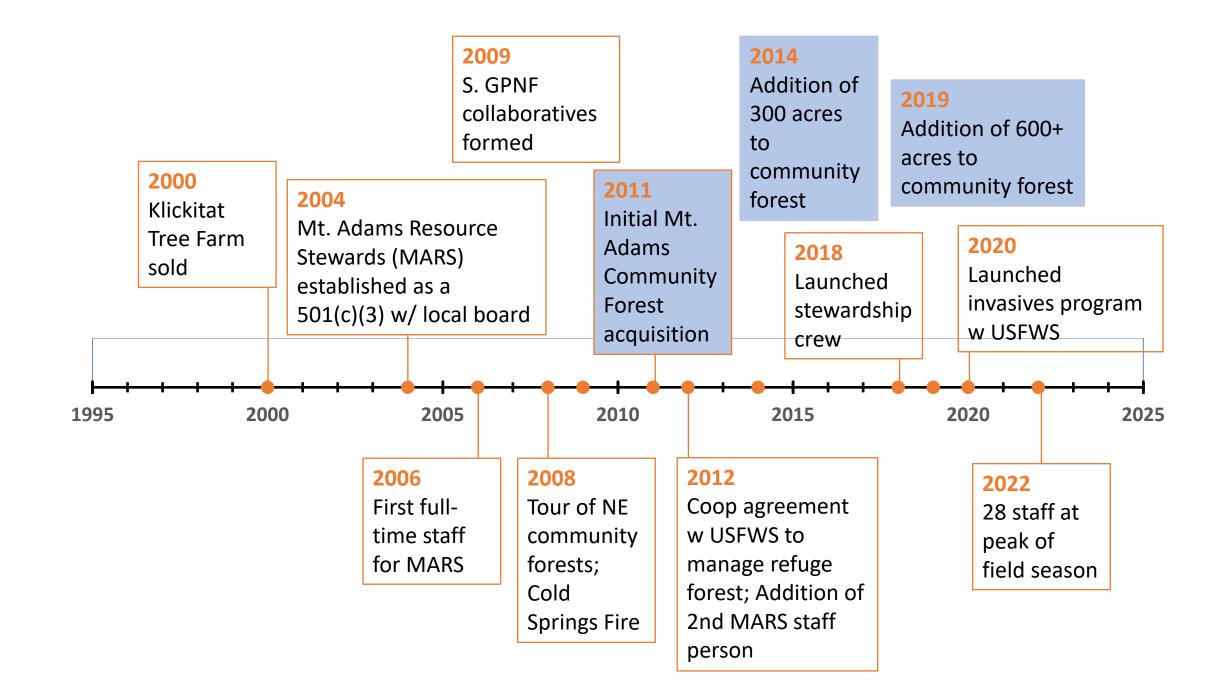

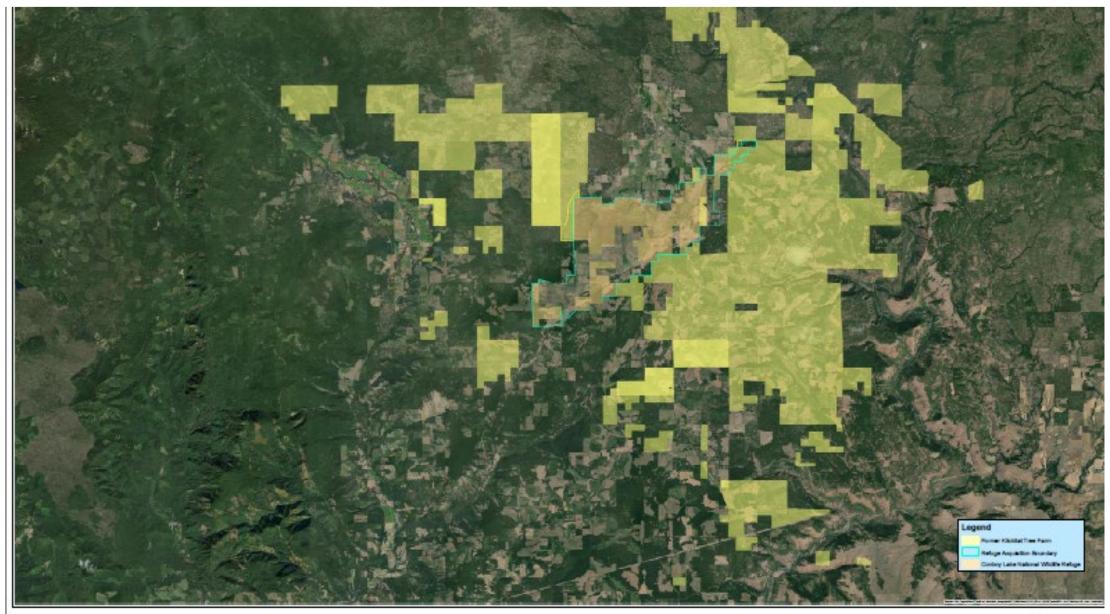

Management Plan for the Pine Flats Tract

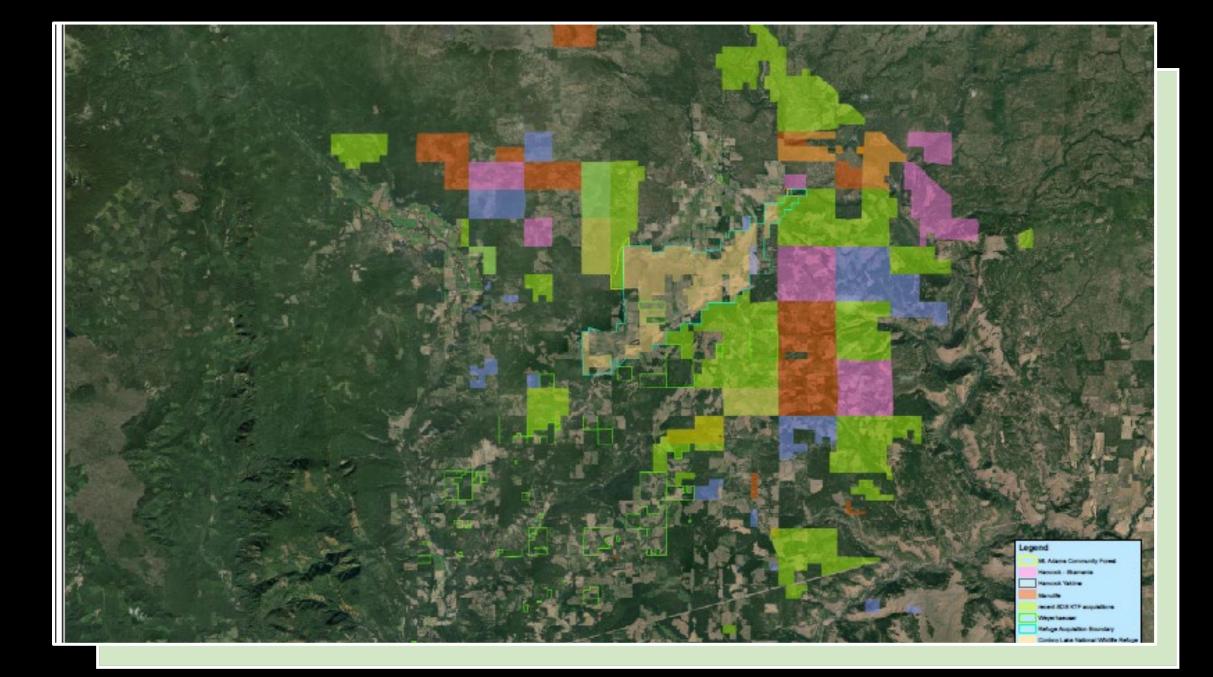

300 acres including those areas east of the Trout Lake-Glenwood Hwy in the W2 of S. 30 and the NW % of S. 31 of T6N, R12E

. .

For us – opportunities around crossboundary, all lands management where the community forest serves as a demonstration and catalyst for impacting a larger landscape...
